If we are not available then you will be responsible for the full bill if you do not call us to reschedule or cancel by Monday of that week. We are a small business and take pride in making all of our food to order that is why we need this amount of time for cancellations. I/we also understand that Jeremiah's, **does not** serve liquor or alcohol, provide liquor(alcohol) or liquor/alcohol service in any capacity and Jeremiah's will not be held liable or responsible for any damages as a result. It has been explained to me/us that if a bartender is needed for our party, that we should hire one from an outside service company not affiliated with Jeremiah's, and that the server or chef provided by Jeremiah's is not able to serve or pour liquor/alcohol in any capacity. I/we the hostess of the party take full responsibility for the service and use of the liquor and alcohol for this party. We also understand that if we provide any outside food from somewhere else, that Jeremiah's is not responsible.
